5 Tips about La Royale

- ✦ We only work with the best whole pieces of meat: Wagyu, mature beef, Iberian pork...Every morning minced by ourselves, keeping them at 1°C to preserve all juiciness.
- ✦ We elaborate each burger one by one, to get maximum fluffiness.
- ✦ Finally, we cook them in a Josper grilled oven with charcoal, providing them a unique aroma.
- ✦ Also our bread is part of our own recipe. It is made with butter, to make it ethereal and with an exceptional aroma.
- ✦ Everything served in La Royale is made in La Royale.
